- Agility and Responsiveness

- Manage complexity

- Prioritize activities

- Strategic Focus

NEBRASKA
WORKFORCE
DEVELOPMENT™
DEPARTMENT OF LABOR

STAR 1.0
(Lessons Learned)

- Enterprise Architecture Lite worked for us
- 80/20 rule applies
- EA <u>process</u> must be internal – EA <u>project</u> has more options

- Must address business needs
- Opportunity to implement best practices
- Iterative, incremental process
